

Senator Lindsey Graham TURNED HIS BACK ON OUR RURAL HOSPITALS

- **On Graham's watch, four rural hospitals have closed down in South Carolina.**
Source: Becker's Hospital Review, 1/15/20
- **Four of South Carolina's 15 rural hospitals are at high financial risk of closing unless their financial situations improve.** *Source: Navigant, Rural Hospital Sustainability, Feb. 2019*
- **The mortality rate in a rural community that loses a hospital increases by an average of 5.9%.** *Source: University of Washington, August 2019*
- **In Canada, the same prescription drugs — manufactured in the same factories, by the same companies — are available for a fraction of the price compared to in the U.S. The average percentage saved outside the U.S. for select prescriptions in Canada was 65%.** *Source: drugwatch.com, 7/27/20*

X Graham voted **against** a budget amendment that would prevent federal funding cuts to rural hospitals. He opposed efforts to prevent legislation that would impose even greater financial hardship on hospitals and clinics by reducing insurance coverage in rural communities, like those right here in South Carolina. *Source: S Con Res 3, 1/11/17, Roll call 10*

X Graham voted **against** budget amendment to allow people to safely import prescription drugs from Canada, creating major savings for consumers. *Source: S Con Res 3, 1/11/17*
