

# REP. SUSAN WILD

# FIGHTING TO LOWER

# PRESCRIPTION DRUG COSTS

Approximately 1,147,490 Pennsylvanians, or 11% of the adult population, have diagnosed diabetes which cost an estimated \$12.9 billion in Pennsylvania each year. *Source: American Diabetes Association*

In Canada, the same prescription drugs — manufactured in the same factories, by the same companies — are available for a fraction of the price compared to in the US. The average percentage saved outside the US for select prescriptions in Canada was 65%. *Source: drugwatch.com, 7/27/20*

✓ Rep. Wild voted **for** the Affordable Insulin Now Act, which would cap insulin prices at either \$35 a month or 25% of an insurance plan's negotiated price – whichever is lower. The bill would take effect in 2023. *Source: H.R. 6833, 3/31/22, Roll call 102*

✓ Rep. Wild voted **for** the Elijah E. Cummings Lower Drug Costs Now Act which would have made major reforms to increase transparency, reduce drug prices, and limit out-of-pocket costs for Medicare beneficiaries, participants in employer sponsored plans, and individuals enrolled in commercial health insurance. *Source: H.R. 3, 12/12/19, Roll call 682*

✓ Rep. Wild voted **for** the Strengthening Health Care and Lowering Prescription Drug Costs Act which included bipartisan drug pricing provisions restricting anti-competitive behaviors by pharmaceutical companies. *Source: H.R. 987, 5/16/19, Roll call 214*

## WORKING TO REBUILD OUR CRUMBLING INFRASTRUCTURE

- Pennsylvania got a grade of C- on its infrastructure report card. The state has 3,353 bridges and over 7,540 miles of highway in poor condition. On average, each driver pays \$620 per year in costs due to driving on bad roads. Source: American Society of Civil Engineers, [www.whitehouse.gov](http://www.whitehouse.gov)
- Pennsylvania will receive \$11.3 billion for federal-aid highway upgrades and \$1.6 billion for bridge replacement and repairs under the Infrastructure Investment and Jobs Act over five years. Source: [www.whitehouse.gov](http://www.whitehouse.gov)
- Pennsylvania will receive \$1.4 billion over five years to improve water infrastructure to ensure clean, safe drinking water. Source: [www.whitehouse.gov](http://www.whitehouse.gov)
- Beltzville Lake in Carbon County is receiving \$1.4 million in federal funding for the U.S. Army Corps of Engineers to repair the dam's hydraulic steel structure and to conduct maintenance work and repairs on the concrete of the emergency spillway apron. Source: USACE

Rep. Wild voted **for** the Infrastructure Investment and Jobs Act.

# FIGHTING TO SAVE OUR POSTAL SERVICE

Rep. Wild voted **for** the Postal Service Reform Act which requires that the six-day delivery network for mail and packages is maintained. *Source: H.R. 3076, 2/8/22, Roll call 38*

Rep. Wild voted **for** the Delivering for America Act which blocked operational changes that caused wide-spread mail delays and stopped the shutdown of mail-sorting machines to help sustain postal service through the Covid-19 pandemic so people could get their medications, checks, and packages. *Source: H.R. 8015, 8/22/20, Roll call 182*
